Are you... a spirit?
SPIRITS

SPIRITO

The Soul Collector

BY COLIN LAWLER
& JOSEPH GRABOWSKI

No, definitely not.
But I've spent my entire life surrounded by them.

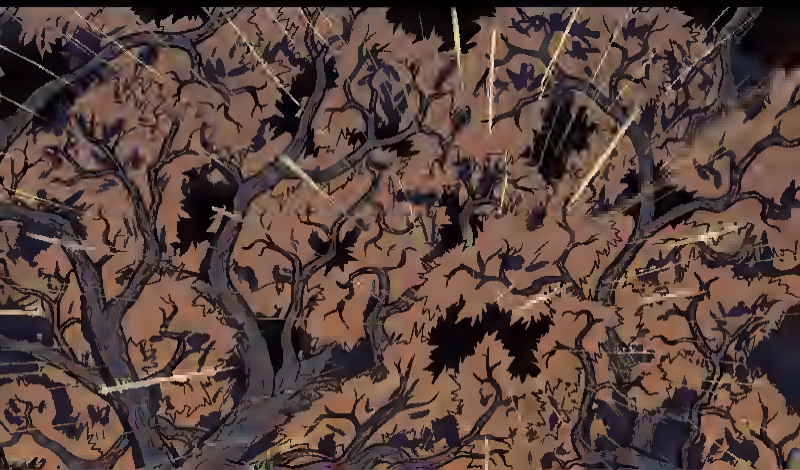
Will, spirits are the living essence of the natural world.

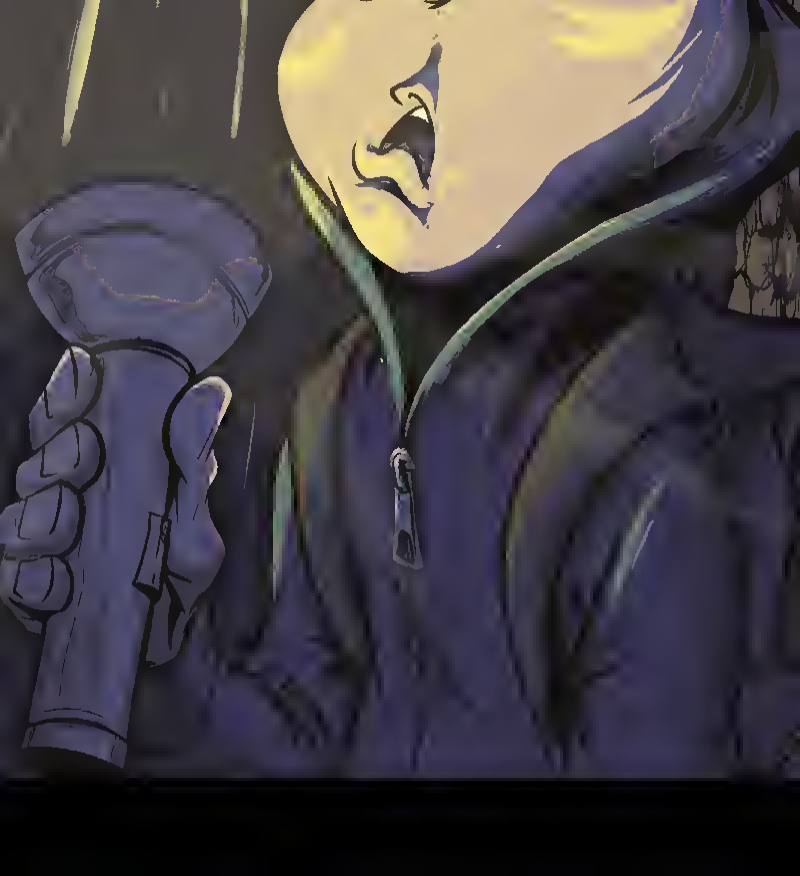
All the things you've always known to exist but never thought were alive—

mountains,
rivers,
sunshine,
shadows...

all that stuff actually exists in harmony with spirits.

...there are rain spirits.





Where there are rocks...

...there are rock spirits.
OHHH...
HELL-LO...
THERRRRRE.

Besides, spirits don't *usually* look like humans.

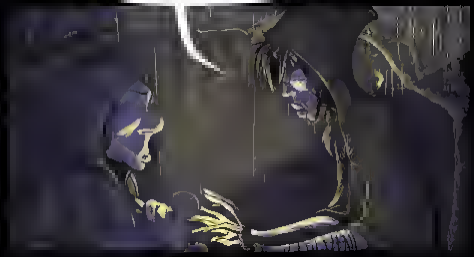
I'm what is called a seer. Like you. And your brother.

My brother and I are nothing alike.
Hmm... I guess you're right.
Your grandmother

is much stronger than you are.
HE IS NOT!
Oh? I don't remember hearing that Kenny needed an enchanted necklace to see spirits.
I don't need this stupid thing either!

Will. No.
Listen to me.
Your grandmother believes you are a natural seer.

Potentially a very powerful one.



But for some reason your abilities have yet to surface.

So as of now,

that enchanted necklace is the only thing allowing you to see the spirit world around you.

Make no mistake, Will. You and your brother *are* alike.

And there is a group of spirits out there looking for people like us.

Hunting people like us.

That neckloce is the one thing thot might let you see them—
—before they see you.
